BILL STARBUCK EXECUTIVE CHEF OF LUCKY STRIKE

As Vice President of Catering and corporate Executive Chef of Lucky Strike and Along Came Mary Productions, Bill Starbuck has been credited with revolutionizing large-event gourmet catering. Bill's passion for food and creativity shine through in the Lucky Strike menu, which food critics have described as "classic comfort food with a twist," and the "best in its nostalgia category."

Bill has planned and executed the menus for hundreds of Hollywood's "A list" movie premier parties, many award nights, (including the Grammys and the Emmys), and many celebrity weddings, including Brad Pitt and Jennifer Aniston's, as well as Barbra Streisand's. Bill has worked with Along Came Mary Productions for the past 23 years, and has worked full-time for Lucky Strike since its inception in 2003.
